Ayer's Ague Cure
Is a purely vegetable bitter and powerful tonic, and is warranted a speedy and certain cure for Fever and Ague, Chills and Fever, Intermittent or Chill Fever, Periodical or Bilious Fever, and all malarial disorders. In malarial districts, the rapid pulse, coated tongue, thirst, lassitude, loss of appetite, pain in the back and joints, and coldness of the spine and extremities, are only premonitions of severe symptoms, which terminate in the ague paroxysm, succeeded by high fever and profuse perspiration.
It is a startling fact, that quinine, arsenic and other poisonous minerals, form the basis of most of the "Fever and Ague Preparations," "Specifics," "Syrups," and "Tonics," in the market. The preparations made from these mineral poisons, although they are palatable, and may break the chill, do not cure, but leave the malarial and their own drug poison in the system, producing quinine, dizziness, ringing in the ears, headache, vertigo, and other disorders more formidable than the disease they were intended to cure. AYER'S AGUE CURE thoroughly eradicates these noxious poisons from the system, and always cures the severest cases. It contains no quinine, mineral, or any thing that could injure the most delicate patient; and its crowning excellence, above its certainty of cure, is that it leaves the system as free from disease as before the attack.
For Liver Complaints, Ayer's Ague Cure, by direct action on the liver and biliary apparatus, drives out the poisons which produce these complaints, and stimulates the system to a vigorous, healthy condition.
We warrant it when taken according to directions.

FILES! FILES! FILES!
A sure cure found at last! No one
need suffer! A sure cure for Blind,
Bleeding, Itching and Ulcerated Piles has
been discovered by Dr. William (an In-
dian remedy) called Dr. William's In-
dian Ointment. A single box has cured
the worst chronic cases of 25 or 30 years
standing. No one need suffer five min-
ute after applying this wonderful sooth-

electuaries do more harm than good.
William's Ointment absorbs the tumors,
allays the intense itching, particularly at
night after getting warm in bed, as a
poultice, gives instant and painless relief,
and is prepared only for Piles, itching of
the private parts, and for nothing else.

Indian Pile Ointment: I have used
scores of Pile Cures, and it affords me
pleasure to say that I have never found
anything which gave such immediate and
permanent relief as Dr. William's Indian
Ointment.

West Butler Officers.
The following named gentlemen
were elected Trustees for the village
of West Butler on Tuesday:

H. C. Wyatt, John W. Chambers,
F. M. Sherman, John E. Showalter,
James Wenger.

The new Board met last night and
elected the following officers:
Mayor and Treasurer, H. C.
Wyatt; Clerk and Assessor, James
Wenger; Marshal and Collector,
John W. Chambers; Attorney,
Henry A. McGindley.

The above named gentlemen repre-
sent all the political parties ex-
tant, and we suppose were voted
for without reference to their affili-
ations politically.

A Remarkable Coincidence.
It is a matter of journalistic record,
that some years since, a schooner set sail
from Baltimore, having on board a crew
of thirteen men, by a most singular freak
of nature, the entire force was attacked by
a skin disease, which manifested itself in
large ulcerated sores on arms and hands,
wholly incapacitating the men from duty.
The result was that the vessel was towed
back to the city where the men were
placed in the hospital. Moral! Had
Swayne's Ointment for skin diseases been
used in the first place, the crew would
have recovered in from 12 to 24 hours.

There was a regular old fashioned
brush clearing, out at Mr. Harimans
a short distance west of the city,
Thursday night. Quite a number of
the people from the city attended,
and they had a good old time of it.
Next in order is a good old fashioned
quilting, what say you all?

We see from the Holden Enter-
prise that Mr. G. C. Wolfe, is a
candidate for County Clerk of John-
son county before the Democratic
primaries. Mr. Wolfe is a brother
to our county Surveyor M. L. Wolfe,
also to C. R. Wolfe of Rich Hill,
and is a very fit man to become
County Clerk of Johnson county.

Haygoods famous troupe will ex-
hibit at Evans Hall, Wednesday
evening, April 12th. The Daily
News of Elgin says of the company:

The troupe contains a first-rate
Irish comedian. A good thing about
the performance is the rapidity with
which the acts change. There are
no tedious delays between the scenes.
One performer was on the stage al-
most before his predecessor was
fairly off.

where we will be pleased to meet our

THE CITY COUNCIL.
Assembling of the Old Board and New
Last Night.

The city council met Thursday.
The mayor and all the aldermen
were present. An ordinance was
passed granting to the Ft. S. St. L.
& C. R. R. the right of way over
one of three streets and crossings in
the city, viz: the old road bed, and
a street on the east or west side of
the same. This was eminently prop-
er thing and meets with the approv-
al of the citizens.

The new city officers were install-
ed and Mayor Lefker made a short
speech and promised something more
lengthy at the next meeting in the
way of an inaugural address in which
he would set forth his views in refer-
ence to those matters, which he con-
siders for the best interests of the
whole city.

The council sometime ago granted
to Dr. Lansdown, a permit to build
a stable on his lot on which the liv-
ery stable is now being built, on
Dakota street. Thursday eve, a mo-
tion was made in the council to re-
voke the permit, and stop the erec-
tion of the stable on said lot. The
matters was not disposed of last
light, and is a nut left over by the
old board for the new one to crack.

EDITOR TIMES:—The bright and
beautiful Sabbath yesterday was
observed in the usual way by the in-
habitants of our city. Livery teams
were in demand, and those who
could not get teams took their foot
in their hand and went walking.

Services for the day were begun
by the Sabbath schools at 9:30 a.m.,
the M. E. C. S. S. meeting at that
time, conducted by L. Lampkin,
Supt. They have about 100 schol-
ars and the school is improving.

The Baptist S. S. met at 10 a.m.,
led by T. B. Farmer, Supt. It is an
interesting school, numbering about
100 scholars.

Preaching at the M. E., Presby-
terian and Christian churches at 11 a.
m., numerously attended.

Sunday school at the Presbyterian
church conducted by M. G. Manley
Supt. This school numbers about
100 scholars and is in a prosperous
condition, and met at 3 p. m., as did
the S. S. at the Christian church, led
by C. A. Clark, Supt. They have
about 100 scholars, and a very in-
structive school it is.

Mrs. Redman, mother of Mrs. F.

to live at her home east of Butler.

Messrs Catterling and Legg, have
nearly gotten the frame work of their
buggy and carriage factory com-
pleted on east Dakota street.

Every man who has subscribed to
Ft. S. St. L. & C. R., ought now,
(that the road is to be extended into
Texas,) double his subscription, it
will be the grandest and best paying
road in the world.

An Interesting Fact.
In France, all patent medicine must be
endorsed by an official board of physi-
cians before they can be sold. In lieu of
such a law in America, the people have
resolved themselves into a National com-
tee which has endorsed Swayne's Oint-
ment for allaying the itching accompan-
ing the Piles, as the only reliable remedy
in the market. It is a poor rule that won't
work both ways. April 1-11 d & w
